

## Is Mom to Mom for Me?

You should come to Mom to Mom if . . .

- You have made at least one trip to the maternity ward and survived to tell about it!
- You have launched a child into adolescence and found yourself in unknown territory on more than one occasion!
- Caffeine . . . need we say more?
- You have an imperfect family but seek to know more about a perfect Savior.
- You long for interaction with women who have similar challenges and want to raise children with character, integrity, and joy!
- A marriage that continues to grow and flourish tops your priority list.

If you answered “yes” to any of the questions above, then we invite you to join us at Mom to Mom!
